## AFRICAN GODDESS FACIAL®

90 mins *R1 100*

When your primary focus is a facial rejuvenation, but the body is also calling for tender loving care. Our treatment starts with a back and neck exfoliation followed by a muscular releasing massage, melting away tension. We know that a stressed muscular system can place much gravity on the facial muscles; often resulting in sagging skin. This treatment is a wonderful ritual that involves cleansing, massage and sound therapy, making it a sacred and sensory way to celebrate the Goddess within.

## BALANCING ROSE CRYSTAL FACIAL®

80 mins *R900*

Rosehip oil is steeped in history and has always been associated with the heart and soul. Our beautiful blend of Rose Absolute is designed to restore the skin's natural balance while eliminating feelings of sadness, rejection or fear. Warmed Rose Quartz stones are massaged upon the face in conjunction with a deep cleansing and hydrating rose inspired facial. The neck, décolleté and feet are also worked to relax muscle tension, reduce fine lines, fight the signs of photoaging, and increase hydration and cell renewal.

*Revitalise, Rejuvenate, Purify, Balance*

## AFRICOLOGY BESPOKE FACIAL

60 mins *R700* | 80 mins *R870*

A deep cleanse can leave the skin looking refreshed and more youthful. By using our gentle Exfoliating Cream and hot mittens, we purify the skin without the long term damage usually caused by steaming and harsh exfoliators. An exfoliation with massage that stimulates and uplifts tired and dull skin, and clears problematic skin. Your therapist will create your bespoke facial according to your skincare needs.

## OXYGEN FACIAL THERAPY®

90 mins *R1 100*

A lack of pure fresh oxygen can prevent blood plasma from free flow, restricting the transportation of vital elements in your biology. Rejuvenation at its optimum, add seven minutes of deep breathing oxygen to your facial. So relaxing and calming, as it purifies blood flow. Sometimes we all need a little clear thinking. Pure liquid oxygen is sprayed onto the skin and the combination of internal & external oxygen supplementation is most valuable in the anti-ageing process.

## SHAMANS HEALING JOURNEY®

**90 mins** *R1 100*

A gentle, kind and warm rose quartz crystal massage that releases pent-up energy likely to cause muscular stress. The muscles are gently stretched while heat is applied to soften the muscle, followed by a rhythmic relaxing massage. A beautiful way of balancing the body's energy centres to create optimum health and wellbeing. Your treatment is based on the traditional healer's approach to healing the body.

The Shaman's journey is a move away from superficial, impersonal massages that offer a one-dimensional healing factor. The Shaman's journey not only observes the client's obvious aches and pains but looks further into the energy centres of the client to see how constant stress and emotional baggage can actually block his or her energy centres.

## HOT STONE MASSAGE

*(Full Body Experience)*

**60 mins** *R765* | **90 mins** *R940*

While providing additional deep tissue pressure, the heated stones infuse muscles with warmth while breaking up knots of tension. Our chosen massage medium is Relaxing oil with a beautiful blend of essential oils to help ease tension and create a complete state of relaxation.

## SOUL OF AFRICA BODY JOURNEY®

*(Full Body Experience)*

**90 mins** *R985*

Africology admires and emulates this ceremonial process, using Africa's miracle Marula oil blended with Neroli to soften signs of ageing through its anti-stress action. This treatment begins with a back exfoliation followed by an application of warm, soothing mud to release tension stored in the muscles, whilst assisting the elimination of toxins in the body. Marula oil is then applied in preparation for your intuitive full body massage. In Africa, Marula is also used to treat sundamaged skin as it improves skin hydration and helps fight free radicals.

## **INTONGA AMASATCHI®**

*(Full Body Experience)*

**75 mins R770**

We know that the body has a memory of all emotional experiences. An inability to let go often expresses itself in the body that can be blamed for low immunity. Intonga Amasatchi is a deep tissue and stress-relieving treatment. Skillful movements are performed with the hands, and differently sized wooden sticks are used to stretch tight muscles and ease toxic overload from daily stress. Symbolically, the stick or staff represented wisdom and direction to the healer. Created from yellow wood, the traditional healer knew that the energy of earth was a valuable tool.

## **SHEA AROMATHERAPEUTIC**

**60 mins R760 | 90 mins R980**

Easy-melting Shea from Ghana, blended with healing African potato, rooibos and natural essential oils creates a sublime, beautiful body experience. Shea, normally as hard as rock, once applied to the skin melts deeply into the upper layers of the dermis to hydrate, soothe and condition. The Shea is combined with your sensory selection of various essential oils such as exotic Jasmine, Neroli, or Chamomile, for a soothing and calming massage or perhaps Black Pepper Balm for a deep tissue experience.

## **BALANCING SCALP AND LEG MASSAGE**

*(Frequent Flyers)*

**45 mins R550**

A balancing massage treatment helping to relax, relieve tension in the scalp, legs and feet as well as working on calming and relaxing pressure points to help restore energy balance. This treatment works on the head, legs (including wrap) and feet individually, but as a whole helps to relax and relieve tension in areas that are often neglected.

## **BESPOKE YOGA®**

**90 mins R980**

Harnessing the powerful and tested knowledge of Indian yoga, this massage works with meridians of the body as well as the muscles. ## REJUVENATION THERAPY

*(Steam | Sauna | Hydrotherapy Bath | Ice-Walkway)*

**60 mins** *R550*

We recommend that you start your therapeutic treatment by walking in the ice-walkway, for 5 minutes, following instruction from your therapist. You may then choose your preferred heat therapy; sauna, hydro-bath or steam room, however if you suffer from high blood pressure or heart issues a sauna is not recommended. In this case we suggest an aroma steam for no longer than 5 minutes. Just long enough for your capillaries to swell. Then start walking in the ice-walkway again, for another 3 minutes. This increases oxygen levels and rejuvenation via active blood flow. A selection of stones are strategically placed in the ice-walkway; gently stimulating the pressure points in your feet to add value to your water therapy session. Further unwind in the calming relaxing area.

## RASUL SESSION

**25 - 30 mins** *R320*

Originally of ancient Middle Eastern beginnings, our Rasul experience is adapted to the traditional healers approach to applying earth mud to the skin to heal and protect. A selection of natural mineral mud is applied to the face and body. Our detox mud helps revive the tissue and has a stimulating effect on the lymph flow. Rooibos and lavender, an all natural anti-oxidant, is most beneficial for its purifying effect. A divine experience where heat from steam and gentle rain brings balance to body, mind and allows one to deeply connect with the essence of who we are once again. For complete relaxation and for maximum benefit, finish your Rasul session with a full body massage.
